Mount Clemens — Macomb County's top executive said Monday the county is not issuing a mandate requiring its residents to wear masks or facial coverings due to the COVID-19 pandemic.

(3)  The Macomb County Sheriff's Office posted on Facebook Monday that they encourage everyone to wear a mask, but they will not be issuing citations if a person chooses to not wear a mask.

(4) UPA utilizes daily through its Heating and Cooling System an Air Cleaning Machine that eliminates Viruses, Germs and Mold; upon interviews with up to 80 Professional Medical Personnel, UPA is the only one of any Medical Facility that they work that has this Essential Health Device.

(5) UPA is not a Public Indoor Academy-Range, but private with "Trainees" or "Members", has NO Customers, NO EMPLOYEES: only Volunteers, Adjunct Instructors and Owners; with Lobby Only for Walk-Ins.

(6) UPA Regularly sanitizes, Cleans and Maintains this Sanitary / Healthy Facility and is consistently monitoring with upgrades for everyone's Health and Safety.

(7) UPA understands that anyone entering its private Academy may be 'Medically Intolerant' to wearing a Mask and may chose 'not to do so'. Copious amounts of information supporting UPA's Premier Health and Safety Procedures are contained in our "Covid Response Plan" on premises.
